Explanation of changes and other important information

Based on this assessment, you have a minimum tax credit of \$130.42 from earlier years that you can use in other years. You have seven years from the year the minimum tax was calculated to use this credit. For more information, see Form T691, Alternative Minimum Tax.

We changed your instalments on your return to \$10,251.00 to agree with the credit available in your 2017 instalment account. The balance in your 2018 instalment account is \$1,943.00.

Your balance due includes arrears interest compounded daily at a set rate. We calculated this interest from the due date of your balance to the date of this notice.
